Supplier Portal Dashboard

- The Supplier Portal Dashboard is the main landing page, providing a basic overview of Orders, RFQs, and Documents.
- To navigate to different modules, use the icons on the left side of the screen. To see a description of what they mean, use the arrow at the bottom.

The screenshot shows the Supplier Portal Dashboard for Atlas Copco Group. The navigation menu on the left includes: Home, Primary data, Documents, Requests, SCM, and Quality. The main content area displays the 'ORDERS' table with columns for Order no., Line items, Date created, and Status. The table lists several orders, all with a status of 'Sent'. A 'Show / Hide descriptions' button is located at the bottom of the navigation menu, indicated by a red arrow.
